Dost

Dost Group is a corporate group, which carries 35 years of experience on technical textile, automotive, packing and medical devices industries.

We have started our business journey in technical textile and commercial vehicles fields. With an investment on high technology products and production facilities we have become one of the sector leaders in Turkey. Our main purpose is to have customer satisfaction with more than 1000 high quality products that we distribute both in Turkey and export more than 25 countries all over the world.

Investing on technology and environment is a tradition in Dost Group, which helps us to carry the slogan "pioneer in quality". Currently Dost Group is lead by second generation, which keeps the company young, dynamic and pioneer in all the fields of present industries.
